ABOUT ME

Recent **MCA** graduate with a strong interest in the IT field and basic knowledge of programming, web technologies, and databases. I am eager to learn new skills and improve my technical knowledge through real work experience. I can work well in a team and follow instructions carefully. I am motivated, hardworking, and ready to take responsibility. Looking for an entry-level role to start my professional career and grow with the organization.

EDUCATION

Master of Computer Application | 2023-2025 | **Uttaranchal University , Dehradun**

Bachelor of Computer Application | 2020-2023 | **HIT Collage , Dehradun**

Senior secondary Education | 2020 | **Uttar Pradesh Board, India**

INTERNSHIP

Ftechiz Solutions Pvt. Ltd., Dehradun | Apr 2025 – Sep 2025

During my internship, I worked on developing full-stack web applications using React.js, Node.js, Express.js, and MongoDB. I gained hands-on experience in building RESTful APIs, implementing CRUD operations, and designing responsive user interfaces using Bootstrap while following MVC architecture and using Git/GitHub for version control.

SKILLS

Frontend: HTML, CSS, JavaScript (ES6), React.js, Bootstrap

Backend: Node.js, Express.js

Programming Languages: C & C++

Database: MongoDB, SQL

Tools & Platforms: GitHub, VS Code, Canva, ChatGPT, Google Gemini, MS Word, Excel.

CERTIFICATION

HTML & CSS – Great Learning (Frontend development & responsive design)

Responsive Web Design – freeCodeCamp (HTML, CSS, modern UI practices)

I would be happy to discuss my skills and start my career with your team.

Thank You 🙏
